

MOTOR GUARD CORPORATION

MODEL DP-6000 AIR CONTROL PRODUCTS DISPLAY BOARD

FEATURES

The Motor Guard DP-6000 is a high-impact point-of-sale display that presents our most popular air control products on an accessible, easily refillable board. Designed to drive impulse sales, the display is designed draw attention and allow the customer to handle the product.

FEATURES

- Rigid Framed Pegboard Display
- Full Color Display
- Includes (6) Popular Air Control Products
- Includes (8) Pegboard Hooks

SPECIFICATIONS

Dimensions: 24" x 24" x 1"

INSTALLATION

Mount board securely and level to a wall using pre-drilled hold on all four corners. Board should be mounted to a wall, rack or other rigid structure using fasteners suitable for the method of mounting.

Install peg hooks in locations shown.

Place product on appropriate hooks.

Check and refill often.
